EXPERIENCE

Target, Minneapolis, MN — *Android Engineer*

November 14th, 2016 - PRESENT

I'm an Android engineer on the flagship Target app team.

SkillFitness LLC, Minneapolis, MN — *Mobile Solutions Developer*

July 2015 - PRESENT (> 1 year)

I was the one and only Android, iOS, Web, and Backend developer.

SkillFitness LLC, Minneapolis, MN — *Android Consultant*

June 2015 - July 2015 (1 month)

I was contracted to bring the SkillFitness platform from being an iOS exclusive, to being cross platform with Android.

Ricco Solutions LLC, Bloomington, MN— *Lead Android & iOS Dev*

June 2013 - July 2015 (2 years)

I was an intern, developing various applications such as CoupCash.

EDUCATION

University of Wisconsin–Stout, Menomonie, WI

August 2014 - June 2015 (1 year)

I only attended for a year. I took many high level classes due to already having skills, such as Computer Science II, Data Structures & Algorithms, and Calculus.

Central Senior High School, St. Paul, MN

August 2010 - June 2014

I graduated from high school here. I took many classes for credits, such as Computer Science, Web Design, and Digital Imaging.

Checkout my website for projects, in-depth skills, etc.
